

To Whom it May Concern:

Please do not overturn or weaken New Jersey's Do Not Call law. It is very difficult to always answer needless calls at all times of the day and night. Since we signed up for the Do Not Call List, our calls are much smaller. I have noticed that the telemarketers have started using different ways to get through but the majority of our calls have stopped. As senior citizens needless calls can be a hazard rushing to answer a call and perhaps falling.
